

Better quality of life, through
better packaging, for more people

PRESS RELEASE

WPO announces the 2022 calendar of packaging training courses

There are planned 10 education programs around the world in physical and digital formats.

June 2022 – WPO (World Packaging Organisation – www.worldpackaging.org) Vice President Education, Henky Wibawa, announced a busy agenda of packaging training courses for 2022. According to him, during the year, the Organisation plans 10 new programs; the two first, in Nigeria and Kenya (Packaging Technology Training), has already taken place.

The next ones, physical and online, are:

- Pakistan - Packaging Technology Training – June
- Saudi Arabia - Packaging Technology Training – June 20 - 23
- Iraq - Packaging Technology Training - July
- Indonesia - Hybrid Packaging Masterclass Training – September 7 – 8 and 14 – 15
- Lebanon/Jordan - Packaging Technology Training – early September
- Iran - Packaging Technology Training – November 22 – 25
- Chile - Packaging Technology Training - date to be confirmed

The agenda also includes a Global Online Packaging Technology Training in the second half of 2022 (date to be confirmed). “The idea is literally to ‘spread the news’. **WPO** believes and works for the continuous dissemination of packaging knowledge and puts all its efforts to help form packaging professionals and keep the existing ones continuously updated”, explains **WPO** President, Pierre Pienaar.

Henky Wibawa completes saying that all education programs are organized in partnership with **WPO** local members. “The intention is also to train our members to be able to run their own packaging training programs.” During the pandemic, **WPO** organized 08 online training programs all over the world that impacted more than 150 packaging professionals.
